PLANTING CHURCHES IN **NEW ZEALAND**

July 2026

Hello Friends,

We are now officially closer to the New Year's Day 2027 than we are to New Year's Day 2026. I had that thought recently and kind of just scratched my head in disbelief at how fast time is going. We are thankful for the year God has given us and look forward to what lies ahead.

Since our last update, several things have been happening here in Gisborne— including some amazing blessings. The month of May came with a new ministry called “Bay Light Kids.” We had mentioned in the last update that we wanted to start this on Mother's Day. When the moment came, we were thrilled at the day God gave us and the children that came. Bekah was able to lead an excited group of kids in singing, games, and a Bible lesson. The day was lovely and since then we have seen very good momentum with the children. We are excited for the future of this ministry and the impact it can have on the young people that are and will be attending.

During the month of May we also had the opportunity to host a member from one of our supporting churches. Jennifer made the long trip to New Zealand. After thirty hours of travel and three different airplanes, she made it safely. She was a blessing as she helped serve in Bay Light Kids, sing some specials, and even watched our little ones as Bekah and I had a breakfast date :). We were thankful for her time here and servant's heart.

As we close, the greatest news of this update occurred on June 9th. I was sitting in my home office doing some reading during the morning hours before everybody got up when I received a text from Bekah that said, “You need come out ASAP. Big news!!!” (Don't worry we do actually verbally speak to each other while living in the same house :) So I walked out and saw Nola sitting on Bekah's lap. She looked up at me in her sweet little voice said “Hi dad, I just got saved!” My mouth dropped opened and tears began to well up in my eyes as I walked over and gave her a big hug. She had a conversation with Bekah for about twenty minutes regarding sin and the reality of what it means. Once that conversation came to an end, Bekah asked her if she had ever personally asked Jesus to save her from that sin. Once Bekah began to explain the importance of that decision, she said that she would love to do that. We are so overcome by the goodness of God. Praying for that very moment for over six years, and then to see it happen in real time is a joy that can't be put into words. We praise God for working in Nola's heart and are so excited for what God will do in and through her.

We pray that your season of ministry is going well. It is said in almost every update, but we truly do thank you for your love and support. We are continually humbled by it, and thank God for your partnership!

Never Quit,
The Freyer Family
