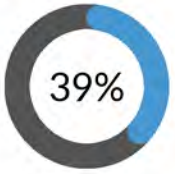
SUPPORT RAISED TO DATE



"Thus saith the LORD, Let not the wise man glory in his wisdom, neither let the mighty man glory in his might, let not the rich man glory in his riches: But let him that glorieth glory in this, that he understandeth and knoweth me, that I am the LORD which exercise lovingkindness, judgment, and righteousness, in the earth: for in these things I delight, saith the LORD." Jeremiah 9:23-24

Faithful Prayer and Financial Supporters,

What a joy to know our Lord and Saviour, Jesus Christ! We want to just glory in His goodness this past month as He has been so gracious to us. We had a wonderful group of meetings and some really good relationships were made in the churches we shared at. God provided for our every need and more abundantly than we could ask or think. It is amazing just to see God's hand at work in our lives. We want to give Him all the praise for He is the only one worthy!

We had several special blessings this month when we visited churches in our area where we have not yet scheduled meetings. God opened many doors for us for which we are so grateful. Please continue to pray that our commitments of support will continue to come in on God's time. Please pray for more meeting opportunities to become available as we call churches and pastors. We desire God's favor in our lives and ministry.

Our first meeting in April was at Cornerstone Baptist Church in Owings, MD. Pastor Ron Titus was one of our Bible college professors at Independent Baptist Bible College. It was exciting to share with the church family there. They have such a love for the Scriptures. Pray for the Lord's continued hand of blessing on the Titus' ministry. Our next meeting was a missions conference at Ambassador Baptist Church in Frederick, MD. It was a joy to get to know Pastor Tom Fry and his wife and the church family. We had the opportunity of going out and soulwinning on one of the days we were there. Sharing Christ with others is always the highlight wherever we go. That is our mission here on this earth. We had the opportunity to share along with several other missionaries as well. There were two church planters going to Pennsylvania and Alaska and a family going to the Philippines who shared along with us. We pray that our testimony was encouraging to each individual as they seek the Lord in the area of missions this year.

The following week, we had the opportunity to present at Great Hope Baptist Church in Carlisle, PA. We are very thankful to Pastor Joel Barrick and his dad who have led the church in supporting missionaries for over 50 years. What a testimony of faithfulness! Pray the Lord would continue to use their church and others like them to further the cause of Christ around the world. Our final meeting of the month was a missions conference at Mountain Lake Independent Baptist Church in Oakland, MD. Pastor Leatherman and his wife are good friends of our pastor and his dad. We have also had the privilege of going to two missions trips to the Dominican Republic with the Leathermans and some of the church family. We also got to reconnect with the Mendez family who were with us at BIMI in December. We had a great meeting with great preaching from Dr. Dan Hummel. The church voted unanimously to take us on right away for monthly support! Praise the Lord for more supporters!

- **Pray for our upcoming meetings this month and for our first full week of Candidate School at the end of the month!**

All for Christ,
Isaac and Savannah Bohac
