

September 2026

Greetings to our supporting churches and praying partners! Our last letter was written while we were serving in Iwakuni, Japan. We're now back at our home church in Virginia and preparing for our next overseas trip.

In mid-July, we completed our two-month furlough coverage for Pastor Brandyn Knight and his wife Alicia (and family) at Faith Baptist Church located near the Marine Corps Air Station, Iwakuni, Japan.

During our time there, God's Word was preached, we learned new scripture songs together, and we enjoyed many opportunities for fellowship with one another. We

also had a special celebration for the 250th anniversary of the signing of the Declaration of Independence.

We experienced the challenges and blessings our missionaries face while ministering to our U.S. military and their families overseas: There were transfers (in and out), promotions,

award ceremonies, and deployments that affected our service members and their families. Noting our experience, I'm certain each of our missionaries serving our U.S. military would appreciate your prayers!

Our return from Japan, was a few weeks earlier than the return of the Knights from their furlough, but Pastor Knight prepared his church well to have men from the church preaching and teaching in his absence.

We're now busy in our home church supporting our visitation program and reacquainting ourselves with friends, and new attendees. We're also finishing up our September – October travel plans to provide a couples conference in Germany along with preaching at two other churches.

We covet your continued prayers for us! In His Service,

Ronn & Barbara Johnson

Prayer Requests:

- * Strength and encouragement from the Lord for our BIMi missionary families serving our U.S. military families overseas, especially following the busy transfer season (Jun-Aug)
- * Completion of our deputation (in the Lord's timing); We're currently at 91% of our planned support level
- * Safety in travels
- * Health protection during our travels
- * That we can be a blessing to U.S. military families in 2026 and beyond
- * For our 2027 calendar to be filled
