MISSIONARIES TO THE US MILITARY

Dear Supporters and Praying Friends

We send greetings and our prayers to you all as you labor for Christ. Here is our monthly missionary report for the month of ***October***.

October was a wonderful month for us as we enter into the fall season and the last quarter of 2026. We continue to engage our community with the gospel in seeking to reach our wonderful folks in uniform as they serve and sacrifice for our nation. One of the big events that has returned to El Paso in October is the Amigo Air Show. It is an annual event at Biggs Army Airfield on Fort Bliss. It was refreshing to see the U.S. Navy Blue Angels demonstration team flying in our area once again. We also took a last minute drive to Alamogordo for some family time to see the newly erected F-4 Phantom display near Holloman Air Force Base.

Since our last correspondence, Christ has allowed us to get the gospel into 150 homes through door-to-door visitation. We would have had more production but for the rains that have followed since the passing of our tropical depression last month. Out of that number of 150, we were able to make 4 face-to-face contacts with one of those resulting in a good contact for follow-up. In our personal evangelism efforts beyond our door-to-door visitation, we engaged over ten people with the gospel and an invitation to attend our church at various times and locations. Our radio show is doing well. However, we are currently looking at whether or not to keep it going as it is becoming cost-prohibitive on our ministry budget.

We recently decided to make a reconnaissance run on the far eastside of our city, where most of the new subdivisions are going in. It is truly an open area for a good Bible preaching, soulwinning, Baptist church.

Prayer Requests:

- Souls saved and baptized
- Establish a more semi-permanent meeting place

Thank you for your continued prayers and support as we labor for Christ in the Borderland among the U.S. military.
