Very Dear Brothers,

Thank the Lord we made it back to the USA for our first furlough in 8 years. It is great that the people can meet my wonderful wife, Alma! It is really a blessing to be back in the great United States.

Our goal is to visit as many people as possible in the limited time we have and to also raise some more support.

They advised us at the border not to stay as long as we wanted to because my wife, Alma, has a tourist visa.

We have another goal of raising money to buy 2 buses for the work in Argentina. The church is spending \$750 a week in buses. That would cut cost considerably each Sunday. We could also pack up more kids and adults for church. Our bus ministry is not just for kids; it is mainly to pick up adults, teenagers, and families. Transportation is very expensive and many don't have money to bring their families to church on Sunday.

In a 4-week span in May, the people brought 300 first visitors to church. We would use the buses to bring in youth for a Bible Youth Meeting on Saturday. I want to thank all the churches that have helped us so far.

Thank you so much for your prayers and financial help in the Lord's work.

Thank you for the prayers in favor of the children in Argentina. Thank you for the prayers and offerings for "The Brave Children for Christ," my wife's ministry. We are happy that Tomás, who is 10 years old, and whose family uses drugs except him, is now going soul-winning on Saturdays.

We are partners together in Argentina for the Lord.
