

June ended with an opportunity to present and preach at Faith Brethren in New Paris Pennsylvania, now a supporting church praise God, and in July we presented in Glasgow Kentucky at our friend Robbie Gilbert's church, Temple Baptist, as well as report back to some supporting churches. We had the privilege to work in our sending church, Bethel Baptist's VBS. Our church now has a new pastor, Jon Lands. We were able to spend some time with him and get to know each other. We look forward to working under him and seeing how God uses him to guide the church. While out promoting the VBS I was able to meet a man from Venezuela and we were given the opportunity along with a friend of ours from Bethel, Jesus Gonzalez, to witness to him. Please pray for Juan to receive Christ.

Our girls can now say they will be able to remember being in the US to celebrate Independence Day. They were too young to remember the last time back in 2019. They are building memories along the way, having seen some beautiful sites, landmarks as well as the occasional museum and memorials.

In August we were in Pennsylvania again and Maryland we were in a conference with our director Terry and his wife Kaye along with some other BIMI missionaries at Solid Rock Baptist Church.

We've enjoyed going out with churches and sharing the gospel, even in Spanish.

In Orosi they were able to host a Mother's Day activity, there were 25 moms' (several first-time visitors) in attendance 43 total with daughters and men helping. All got to hear a clear presentation of the gospel.

Praise God Antonio, a young man we witnessed to last year near Orosi, finally started to come to church with his mother and he was saved the Sunday they hosted the Mother's Day activity. Our pastor friend Glen and his wife Rossi were our guest speakers.

One of our biggest challenges while here has been homeschooling, please pray for us as we continue to navigate this and that we can get the girls ready for their next school year. God continues to provide and keep us safe each step of the journey. Pray for us because we have a lot of traveling ahead for the next couple of months.
