Dear Praying Friends,

Children's Bible Club

During our Bible college semesters, every Saturday we go out for door-to-door soul winning. This last semester we decided to change up the program, so we conducted a children's Bible club instead. This program helped our men learn to work with children and give the gospel to them. It also helped us reach into a neighboring community and get to know the people there. We did this one underneath a mango tree at Pastor Patrick's house. This Bible club lasted for five Saturdays. We had an average of 50 kids every week. Our main theme was salvation. Praise the Lord, many kids put their trust in Christ during those five weeks. Please pray that these children along with their parents will begin coming to our children's church program at Kica Baptist Church. Please pray also as we consider how to do more Bible clubs like this in the future.

Bible College

We are currently wrapping up our spring Bible college semester. We had three men attend, Benson, Victor, and Kenneth. It is always a joy to be able to spend so much time in and out of the classroom with these guys and to get to know them on a more personal level. These are faithful men with a heart for the Lord; please pray for them.

Baptisms

We are thankful for the 11 people who followed the Lord in believer's baptism a few weeks ago. We are encouraged with the wide range of people who were baptized: children of church members, people who have been saved for several years, and people who have just recently begun coming to church. We're looking forward to their continued growth in the months and years to come.

Discipleship

One of the blessings over the last few months have been four brothers who have been faithfully attending Kica Baptist Church. They only live about a quarter of a mile from the church, but we'd never met them. The church they were attending shut down. They were invited by some of our youth to come to our church. I've even started discipleship lessons with all of them. It's encouraging to see them motivating each other to be faithful to church, even though their parents don't come. Please pray for this family. The youngest of the brothers, Samson, has a type of throat cancer. He has been responding well to treatments; please pray for his health, also.

Praise and Prayer

- Please pray for our leadership as some of their roles within our church are changing.
- Pray for our kids as they make some major life decisions.

Thanks for praying,
